FLAME RETARDANT EPOXY RESIN COMPOSITION  
AND SEMICONDUCTOR DEVICE USING THE SAME

AMENDMENT

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

October 26, 2005

Sir:

In response to the Official Action mailed July 26, 2005, please amend the above-identified application as follows:

**Amendments to the Claims** are reflected in the listing of claims that begins on page 2 of this paper.

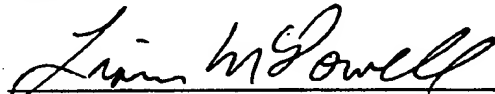

**Remarks** begin on page 13 of this paper.

Thus, it is believed to be apparent from the above discussion, to the extent that the skilled artisan might have considered the proposed combination of references together in the first instance, the invention of the present claims would not have been suggested. Reconsideration and withdrawal of the rejection are respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,

YOUNG & THOMPSON
